## SERVICES

At Two Rivers, your company's IT end-of-life is our company's beginning. Two Rivers provides client-driven solutions to the growing challenge of electronics surplus and IT asset disposal (ITAD). We are committed to *Our Clients, Our Community & Our Environment* to provide responsible recovery. We reduce the complexities associated with electronic waste management, by offering a specialized and secured approach to each of our valued customers. Our services include; **Logistics & Inventory Management, Reporting, Data Destruction, Environmental Disposal & Reselling.** We are experts in IT Recovery and Solutions. We have a knack for creating a custom client strategy, whether it be for a company department or entire enterprise with multiple locations. Two Rivers is prepared to take on your toughest IT asset end-of-life challenges; saving time, energy, effort and cost.

## CORPORATE DATA

## DIFFERENTIATORS:

- **Our Expertise** in IT Recovery and Solutions helps us in creating a custom client strategy, whether it is for a company department or entire enterprise with multiple locations. Two Rivers is prepared to take on your toughest IT asset end-of-life challenges; saving time, energy, effort and cost.
- **Our Level of Security** is of utmost importance in the IT asset disposal process. This includes secure inside pickup, data security and environmental disposal of all non-marketable assets, liability transfer and certificate of data destruction. Our Warehouse is strategically configured to ensure all equipment is efficiently and properly handled.
- **Our Proprietary Online Web Utility** accessible to all clients via a personalized, secure log in for custom serialized reporting.
- **Our Commitment to the Environment** is an integral part of the Two Rivers mission. We are committed to help establish a more resourceful and reusable world around us. We continuously work to create a transparent system for all of our end-of-life electronic assets, and we hold these environmental responsibilities in the highest regard.
- **Our Personalized Touch** to each and every client, no matter the company size.
